

INTRODUCING THE **EPD**® POWER PACK

Your Top-of-the-Line Emergency Power Solution

Are you tired of being left in the dark during **power outages**?
Do you worry about how your school or marae would cope in an **emergency without electricity**?

THE **HONDA** EU70iS

- This 7000-Watt generator, with the addition of the 32Amp plug is ideal for home, school or marae back up power.
- The EU70iS will run for up to 18 hours on a single tank of fuel, is easily transportable and has an electrical push start feature.

Honda Home Solution, that's how.

It's as simple as these four steps

- 1** Wheel your EU70iS with 32Amp plug generator outside to a well ventilated area.
- 2** Plug in the cable to both your generator and Home Solutions transfer box.
- 3** Switch the transfer box to the 'generator' position on the left.
- 4** Turn on your generator and you're ready to go.

WHY CHOOSE THE **EPOD** POWER PACK?

Powered by Honda Home Solutions:

The EPOD Power Pack is equipped with a top-of-the-line Honda generator, renowned for its reliability and performance. With Honda's trusted engineering, you can be confident that your critical systems will have the power they need, exactly when they need it.

Seamless Integration with Gen Switch Kit:

Paired with a Gen Switch Kit, the EPOD Power Pack ensures seamless transition to backup power during outages. Users can easily switch to generator power, providing almost uninterrupted electricity to your school or marae.

Versatility:

Whether you need to power lighting, communication systems or charge devices, Honda's Ecomode design provides customized power output according to your specific needs, ensuring all essential functions are maintained. For reference, you could power 70 100W lightbulbs with the EPOD Power Pack.

Ease of Use:

The EPOD Power Pack is designed for hassle-free operation, ensuring that you can quickly deploy backup power without complications or delays. Operation is simple and intuitive, making it accessible to everyone.

Peace of Mind:

With the EPOD Power Pack installed, you can enjoy peace of mind knowing that your school or marae will not be left in the dark. Whether it's a natural disaster, grid failure, or unexpected outage, you can rest assured that your critical operations will continue without interruption.

DON'T WAIT UNTIL IT'S TOO LATE!

Ensure the safety, security, and resilience of your school or marae with the EPOD Power Pack. Contact us today to learn more about how our innovative energy solutions, powered by Honda and integrated with the Gen Switch Kit, can safeguard your community's future. Be resilient, be prepared- invest in reliable backup power with the EPOD Power Pack.
